	America's Best Moving System for a Rate	)	CONSUMER FUEL
	Increase.	)	CHARGE

This matter comes before the Public Service Commission of South Carolina on the request of K & K Investments, Inc. d/b/a Apartment Movers, Etc. and America's Best Moving System (K & K) for approval to reduce consumer fuel charges from 73 cents a mile to 50 cents a mile. According to K & K, the price of fuel has dropped considerably and it desires to pass on the reduced fuel costs to the consumers. There is no objection to the request by the Office of Regulatory Staff.

Clearly, the reduction in fuel prices being passed on to the consumers is a worthy goal. Accordingly, the request to reduce consumer fuel charges from 73 cents a mile to 50 cents a mile is granted.

This Order shall remain in full force and effect until further Order of the Commission.
